Dear H Hockenhull and T Hatfield,

Bournemouth, Christchurch and Poole Local Plan – Request under section 20(7)c of the Town and Country Planning Act 2004 - Main Modifications.

The Council considers that the BCP Local Plan as submitted was 'sound'. However, the Council wishes to formally request that as part of the examination process you make recommendations to the Council for any main modifications to the Plan that you consider are necessary in order to enable it to be found sound and legally compliant.

This request is made under the above Act and Regulations in order to enable the Council to progress the Plan to adoption following any necessary consultation upon any main modifications that may be proposed.

Yours sincerely
