Examination Document List updated.

18th January 2024 - Councils submit Strategic Landscape and Visual Appraisal information for Worcestershire Parkway ([EXAM 5](#)) and accompanying figures ([EXAM 5A](#)). Examination Documents List updated.

Councils' Explanatory Note: *A single methodology was agreed between landscape consultants engaged for the different land interests and used in the carrying out of the SLVA work. Whilst individual land parcels were considered by different consultants, a common approach to the appraisal work allowed for the various 'chapters' of the SLVA (one for each land interest) to*

come together to help inform a sensitive change of land use in the concept plan work. It's important to note that the Spetchley chapter was referenced in an introduction section but an administrative error led to the SLVA chapter for the Spetchley land to be missed from being uploaded to the Reg 19 evidence base page.

12th January 2024 - LPA's submit the South Worcestershire Retail and Town Centres Study - EXAM 4 - 4C. Examination Documents List Updated.
