Inspectors Caroline Mulloy and  
Dr Rachael Bust

Sent by email care of Ian Kemp,  
Examination Programme Officer

David Syme  
[Redacted]

17 June 2024

Dear Inspectors Mulloy and Dr Bust

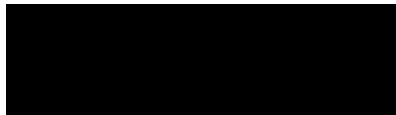

**Lewisham Local Plan Examination in Public – request to consider possible modifications to the submitted plan.**

I am writing to you in relation to the above matter. I note that under Section 20(7) (C) of the Planning and Compulsory Purchase Act (2004, as amended), local planning authorities may formally request that Inspectors recommend modifications to a Development Plan Document undergoing Examination in circumstances where they are demonstrably necessary to secure soundness.

Within that context, the letter constitutes the formal request by Lewisham Council, that where necessary in order to address soundness and satisfy the requirements in section 20 (5) (a) of the PCPA 2004, the Inspectors recommend modifications to the new Lewisham Local Plan which is currently under examination in public.

Should this request raise any questions or require clarification please feel free to make contact through Ian Kemp, the Programme Officer for the examination.

Yours sincerely,

David Syme  
Head of Strategic Planning  
Place Directorate  
Lewisham Council
