

Note for the Inspectors regarding the consultation of Cranfield Parish Council and Hulcote and Salford Parish Council at Regulation 18 and Regulation 19.

Date 18 September 2026

Purpose To demonstrate that the Council has undertaken all consultation stages associated with the preparation of the Milton Keynes City Plan 2050 in accordance with the adopted¹ Statement of Community Involvement (March 2024) (examination library reference. **CD24**) and the requirements of Regulations 18 and 19 of The Town and Country Planning (Local Planning) (England) Regulations 2012.

Main Matter

During the morning hearing session on Matter 1 of the Milton Keynes City Plan 2050 Examination, held on 15 September 2026, the Inspectors requested that the Council prepare a note demonstrating that Hulcote and Salford Parish Council and Cranfield Parish Council were directly notified of both the Regulation 18 and Regulation 19 consultations undertaken as part of the preparation of the Milton Keynes City Plan 2050.

Table 2.2 of the Council's adopted Statement of Community Involvement (March 2024) (Examination Library Reference **CD24**) sets out when direct notifications relating to the preparation and consultation of Local Plan documents will be issued to a range of Specific Consultation Bodies. These bodies are identified in accordance with the requirements of the Town and Country Planning (Local Planning) (England) Regulations 2012. Table 2.2 requires that direct notifications are sent to adjacent Town and Parish Councils to Milton Keynes.

The Council has reviewed its records of the email notifications sent out at both Regulation 18 and Regulation 19, and confirm that direct email consultation notifications were sent to Hulcote & Salford Parish Council and Cranfield Parish Council, on the following dates:

Regulation 18 Consultation – 17/07/2024

¹ The Council approved and adopted a new Statement of Community Involvement on 8 September 2026, which will take effect from 31 October 2026.

The excerpt below is of one the email notifications sent on **7/17/2024** in relation to the Regulation 18 consultation, which included both Cranfield and Hulcote & Salford Parish Council

MK City Plan 2050 Consultation

Dear all

Please find enclosed a letter in regards to the MK City Plan 2050 Consultation.

Kind regards
NCP Engagement

Regulation 19 Re-consultation – 05/01/2026²

The following excerpts are from the receipt log exported from the Gov Notify platform utilised by the Council at Regulation 19 to send out direct email notifications. They demonstrate that direct consultation notification emails were delivered to both Cranfield and Hulcote & Salford Parish Council in relation to the Regulation 19 consultation.

1205	hulcotesalfordpc@yahoo.com		Regulation 19 Consultation email				All Consultees.xlsx	Delivered

Summary:

This note demonstrates that the Council directly notified both Cranfield and Hulcote & Salford Parish Council at both the Regulation 18 and Regulation 19 stage. The Council has undertaken all consultation stages associated with the preparation of the Milton Keynes City Plan 2050 in accordance with the adopted Statement of Community Involvement (March 2024) (examination library reference. CD24) and the requirements of Regulations 18 and 19 of The Town and Country Planning (Local Planning) (England) Regulations 2012.

² The Council's Proposed Submission Local Plan ('Proposed Submission Milton Keynes City Plan 2050 Regulation 19 plan for consultation') and supporting documents, including the Sustainability Appraisal, were published in accordance with Regulation 19 for a 6-week consultation period, from the 7th of November 2025 until 5:30pm on the 22nd of December 2025. However, due to a technical issue, some people did not receive the notification email at the start of the consultation. An additional 6-week re-consultation was therefore run from the 5th of January 2026 until 5:30pm on the 16th of February 2026. The records from the reconsultation period have therefore been referred to where this consultation corrected the previous technical issues.
