

Examination of West Berkshire Local Plan 2022-2039

Inspector: William Fieldhouse BA (Hons) MA MRTPI

Programme Officer: Ian Kemp

Tel: 07723009166

Email: ian@localplanservices.co.uk

Examination webpage: <https://www.localplanservices.co.uk/westberkshirelpr>

IN9: SITE VISIT MAPS

As previously advised¹, I will carry out unaccompanied site visits during the examination. In order to assist, could the Council provide an annotated satellite image of strategic allocations SP16 Sandleford Park and SP17 North East Thatcham that indicate the following:

- Allocation boundary.
- Settlement boundary.
- Broad locations of development and other elements of the proposal.
- Significant physical features etc on and around the site, including those referred to / relevant to the requirements set out in policies SP16 and SP17.
- Proposed access points for development.
- Vantage points from public highway / public land.
- Places to park (with street name and postcode).

The maps will be published in the examination library. Three A3 colour paper copies should be provided to the Programme Officer.

A response is requested by midday on Thursday 4 April 2024.

William Fieldhouse

5 March 2023

¹ IN1 paragraph 31 (10 May 2023).
